

## Orange County Action Methods Training Group for Professionals

In this ongoing training group, participants will meet for 3 days/3 times per year to learn specific action methods techniques, including sociometry, psychodrama and experiential therapy. They will have the opportunity to practice new skills, with guidance, so that they can easily apply them in their clinical setting. This group can also serve as a safe and supportive place for professionals to do their own personal healing work.

### TOPICS WILL INCLUDE:

- Motivating clients
- Helping clients connect to self and others
- Helping clients break through denial
- Building group cohesion
- Dealing with conflict in group
